12. (Unclassified - PLC) LEGISLATION Delivered to the Chairmen of the Senate and House Judiciary Committees, letters from the Director commenting on the private relief bills for the [REDACTED] family.

13. (Unclassified - PLC) LIAISON Tim Ingram, Staff Director, House Government Operations Subcommittee on Government Information and Individual Rights, called and requested a briefing on the Agency's file holdings and problems with the Privacy Act and the legislation proposed by Chairwoman Bella Abzug (D., N. Y.), to amend the Act. I told him I would check and call him back.

14. (Internal Use Only - PLC) LIAISON Called Mike Uhlmann, Assistant Attorney General for Legislative Affairs, Department of Justice, and inquired as to whether they had any input from the White House concerning the request from Chairwoman Bella Abzug (D., N. Y.), House Government Operations Subcommittee on Government Information and Individual Rights, to appear on 13 April for a hearing on bills to require the FBI to notify all persons whom they had information on in their COINTELPRO files. He said they had heard nothing from the White House and that Justice is happy to testify since they feel that their position on the bill and their proposed notification program are sound and can be defended. He said that he would notify me if the Agency in any way becomes involved in their presentation.

15. (Internal Use Only - RJK) ADMINISTRATIVE - DELIVERIES Delivered a package of information to George Murphy, Executive Director, Joint Atomic Energy Committee, and in his absence and that of Richard Kimmel, on the Committee staff, I left the package with Murphy's secretary with the request that she ask Mr. Murphy to sign the document receipts which were sealed inside this package and the last one we delivered and we would be glad to pick them up. (This was in response to a letter from Senator Howard H. Baker (R., Tenn.) to the Director, dated 25 March 1976.)
